

Bug Corkboard

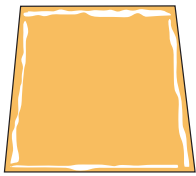

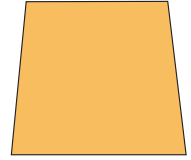

Corkboard
4 lolly sticks
1 Black felt-tip pen

Green card
Black card/craft foam
Magnet

Pencils
Scissors
Glue

Cut a piece of corkboard to the size required.

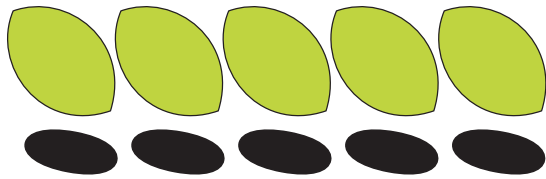

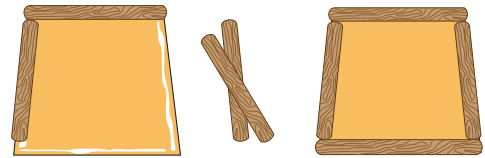

(Length of two lolly sticks, one at the top and one at the bottom and two lolly sticks at the sides.)

Place some glue all around the edges of the corkboard.

Place the lolly sticks one at a time onto the glue, starting at the top, then the left hand side, then the right hand side and lastly the bottom.

Press onto the glue and leave to dry.

Cut out 5 leaves from the green card.

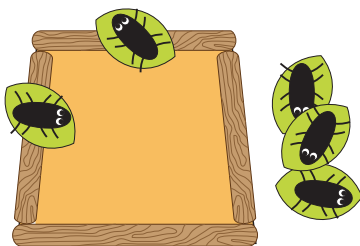

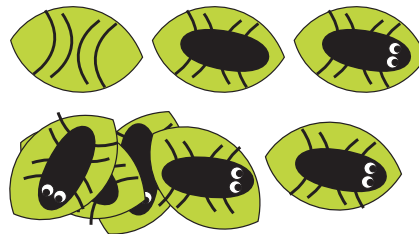

Cut out 5 bug bodies from the black card or craft foam.

Draw the bugs legs onto the green card.

Glue the bugs bodies onto the card, press down and leave to dry.

Lastly draw two eyes or you can glue on goggle eyes.

Leave to dry.

Glue the bug leaves to the lolly sticks around the edge of the corkboard.

Leave to dry.

Glue a magnet to the reverse side of the board so that it can be used as a fridge magnet.
