

Friendship Bracelet

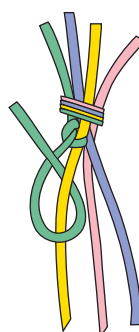

Embroidery Threads
(or wool/string)

Scissors
Masking tape

Cut Embroidery threads into two 96 cm lengths.
Fold both pieces 48 cm from the end, and gather the folded strands together.
Tie all together into a knot 10 cm from the fold.
Secure by taping to table top at fold.

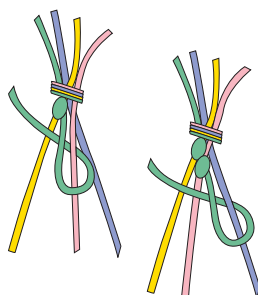

Start with the green cord and loop it over the yellow cord, round the back then up through the loop.
Hold the yellow cord straight and pull the knot snug.

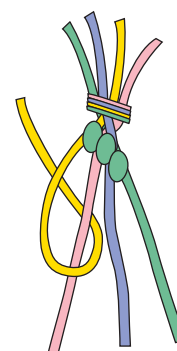

Do the last step a second time so you have a double knot.

Now take the green cord and make double knots around each of the remaining cords (pink and blue)

Do the same thing again. Start with the pink cord and tie a double knot.

Keep the knots going until the bracelet is as long as you would like.
Gather the cords and tie a knot to secure.
Trim the ends
