

Ringmaster

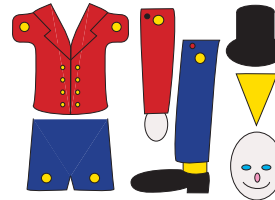

Red card
Black card

4 split pins
String

White card
Glue

Cut out all the pieces for the ringmaster.

1 coat, 1 trouser, 2 arms, 2 legs, 1 top hat, 1 cravat, 1 head

Assemble the Ringmaster.

Place the cravat behind the coat then put the head on, glue.

Place the trousers behind the coat just overlapping the waist and glue in place.

Punch a hole where the large spots are for the split pins.

Put the two arms in place with the split pins.

Put the two legs in place with the split pins.

Use the small holes to string the Ringmaster.

Place a piece of string from one arm to the other, tie a knot at either end.

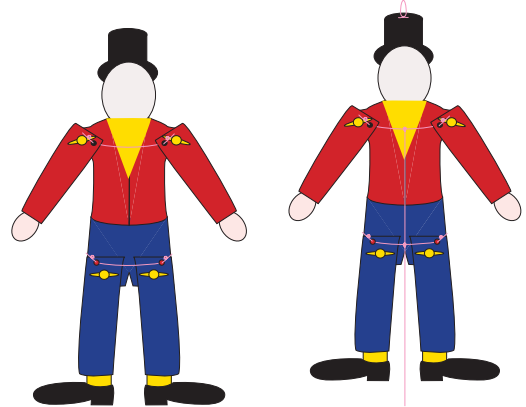

Place a piece of string from one leg to the other, tie a knot at either end.

Tie a knot around the arm string in the middle.

Take this string down to the leg string and tie a knot.

Let the rest of the string hang.

Secure a loop of sting at the top hat.

Holding the loop at the top hat, pull the hanging string downwards and the ringmaster will move his arms and legs.
