

Computer Bugs

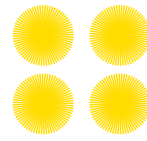

8 Lolly Sticks
PVA glue
2 Goggle eyes
6 Pipe Cleaners
Paintbrush

Pom-poms

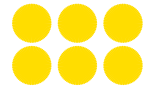

1 large

4 medium

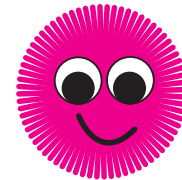

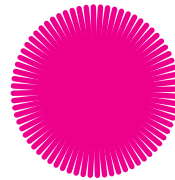

6 small

Take 1 large pom-pom and use this for the body.

Make the face by gluing on goggle eyes and adding a piece of pipe cleaner for the mouth.

Bend a pipe cleaner in half to make it double thickness for the legs.

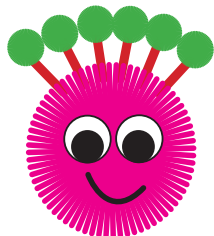

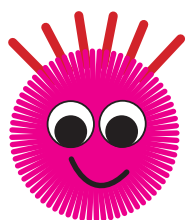

Glue a smaller pom-pom to one end and leave to dry.

Make two.

Bend a pipe cleaner in half to make it double thickness for the arms, but make them slightly shorter than the legs.

Glue a smaller pom-pom to one end and leave to dry.

Make two.

For hair, cut a pipe cleaner into 1" pieces

Glue into the large pom-pom.

Add a small pom-pom on each end.
