

# Monkey Door Hanger

Card  
Sellotape

5 pipe cleaners  
Glue

Scissors

Cut out the door hanger and 5 leaves from card.

Glue each leaf onto the door hanger to provide foliage.

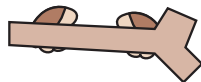

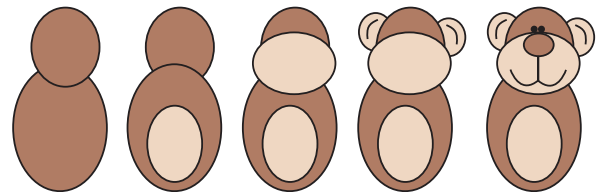

Cut out the head, body, stomach, jaws, ears and nose pieces.

Glue the stomach and the jaws in place on the front of the monkey.

Glue the ears to the back of the head.

Glue the nose to the top middle of the cheeks and draw in the mouth.

Finish off by drawing in the eyes just above the nose.

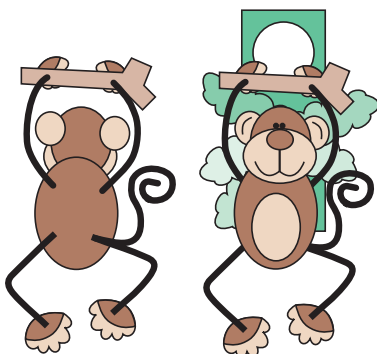

Cut out two hands and two feet and glue the upper hands to the lower hands and do the same with the feet.

Glue the hands to the branch.

Take 5 pipe cleaners, use two for the arms and two for the legs.

Glue or sellotape the hands and feet to the pipe cleaners, then bend into shape.

Bend the remaining pipe cleaner into a spiral for the tail.

Glue or sellotape the arms, legs and tail to the back of the monkey body.

Finally glue the monkey onto the door hanger.

Rearrange the arms and legs to your liking.
