

Paper Beads

Materials

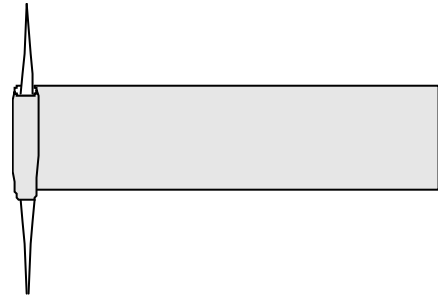

A4 paper/Magazines
Scissors
Knitting needle

Pencils
Pritt Stick
Leather thong/Wool/String

- 1 Cut out a strip of paper along the long side of the A4 paper.

Wind it carefully around a knitting needle

Put the glue on the end of the paper and wind onto the reel.

- 2 When the glue has dried, paint or colour the bead.

Remove the bead from the knitting needle when dry.

- 3 Thread all the beads onto a piece of leather thong or wool or thin string, placing a knot at either end of the beads.
