

Spider

Materials:

Card (75 mm x 40 mm)

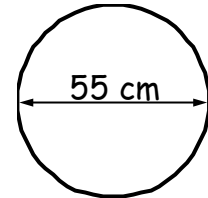

Stapler

PVA glue

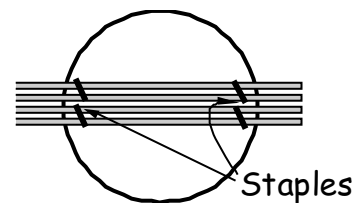

Wool

Pipe cleaners (4 x 150 cm)

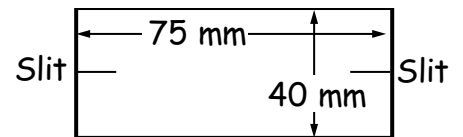

- 1 Cut 1 circle 55 cm diameter for the base and cut one slit with side of the circle..

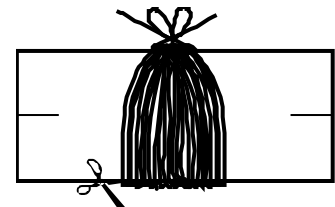

- 2 Place the 4 pipe cleaners across the card circle and staple in place.

- 3 Make the pom-pom by winding the wool around the card 100 times (approx.) or by winding around four fingers of one hand.

- 4 Secure the wound wool with a double length of wool, tightly.

- 5 Snip the loops of wool opposite the knotted side.

- 6 Fluff the pom-pom and trim the ends if necessary.

- 7 Place over the card with the pipe cleaners and place the double strands of wool through the slits and tie at the back of the card.

- 8 Glue on eyes if required.

- 9 Bend the legs to make them look like a spiders.
