- 1 Draw around the toucan's body onto A4 card.
Cut out carefully.

Draw in the eyes and wings.

- 2 Draw around the toucan's beak onto A4 card.
Cut out carefully.

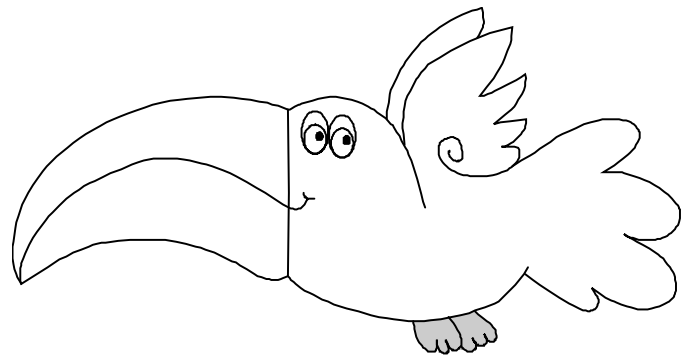

- 3 Draw around the toucan's feet onto A4 card.
Cut out carefully. Colour in.

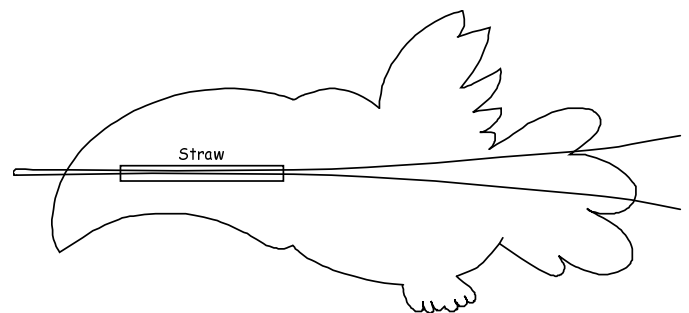

- 4 Glue the beak to the body on the tab.

Glue the feet to the body.

- 4 Turn over the toucan.
Cut a length of wide gage straw and tape it at the beak.

Thread the length of string with the loop going from the back to the front of the toucan.

To operate the toucan, put the loop over a hook or door handle. Hold the other two ends together with the toucan at your hands. Pull the two ends of the string quickly apart. The toucan will speed along the string to the other end.
