

Pom-Pom Peg Ant

2 small pom-poms 1 large pom-pom 2 Goggle eyes	1 peg Glue 2 large pipe cleaners	Scissors Paint Paintbrush
--	--	---------------------------------

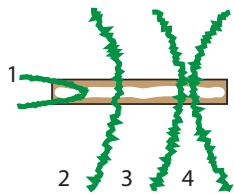

Paint the peg if required and leave it to dry.

Take two large pipe cleaners, the colour required, and cut each one in half.

Put some glue along the length of one side of the peg.

Bend one pipe cleaner into a 'U' shape (1) and place on the glue at the top near the opening end of the peg.

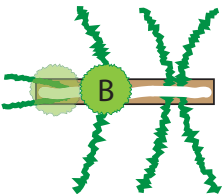

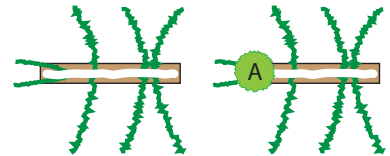

Use another piece of pipe cleaner, bend slightly and glue in place at position 2.

Take the last two pieces of pipe cleaner bend slightly and glue towards the back of the peg at positions 3 and 4.

Put some more glue over the top of the pipe cleaners.

Glue a small pom-pom (A) on top of the U-shaped pipe cleaner (1) for the ant head

Glue on the second small pom-pom (B) over the next set of legs (position 2).

Finish by gluing the large pom-pom (C) over the back two sets of legs (positions 3 and 4). Leave to dry.

Glue the goggle eyes onto pom-pom A, if required.

Bend the legs at the knees .
