Glue
Scissors

Chord
Hole punch

Cut out 1 head and 1 snout piece.

Glue the snout over the bottom half of the head.

Draw in nose, mouth and eyes.

Cut out 2 large ears (Ear 1) and 2 smaller inner ears (Ear 2) in a different colour.

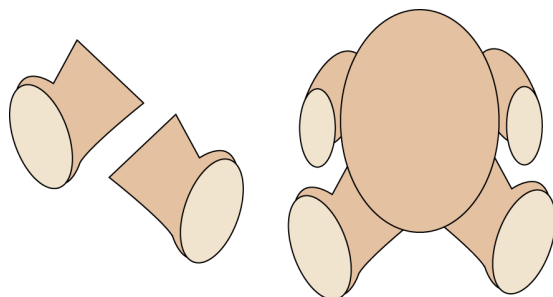

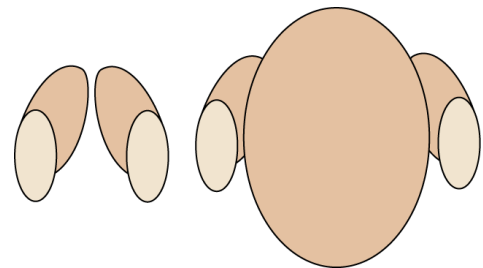

Glue the small ear to the large ear two times.

Now glue the ears to the head.

Cut out 1 body piece, 2 large arms (Arm 1) and 2 paw pads (Arm 2).

On each arm glue the paw pad to the arm at one end.

Now glue the arms on either side of the body.

Cut out 2 large legs (Leg 1) and 2 paw pads (Leg 2).

Glue one paw pad to one leg on the base of the foot.

Now do the same on the other leg making sure you have turned the leg over so that it is a mirror image of the first leg.

Glue to the bottom of the body.

Make a small hole with hole punch in the middle top of the head.

Tie some chord in a loop so that the bear can be hung up.
