Cut out a card base.

Use this to attach all the pieces of the Wise Old Owl.

Cut out a tail piece from the foam.

Attach it to the bottom of the card by either glue or staple it.

Cut out the feathers from the foam.

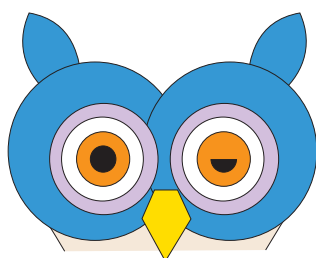

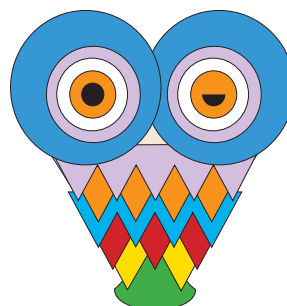

Attach the body feathers row by row by either glue or staples.

Cut out a eye pieces from the foam.

Now attach the eyes.

Put the largest circle onto the card base and secure in place.

Now glue each of the other circles in decreasing size for each eye.

Cut out two ear pieces and 1 beak from the foam.

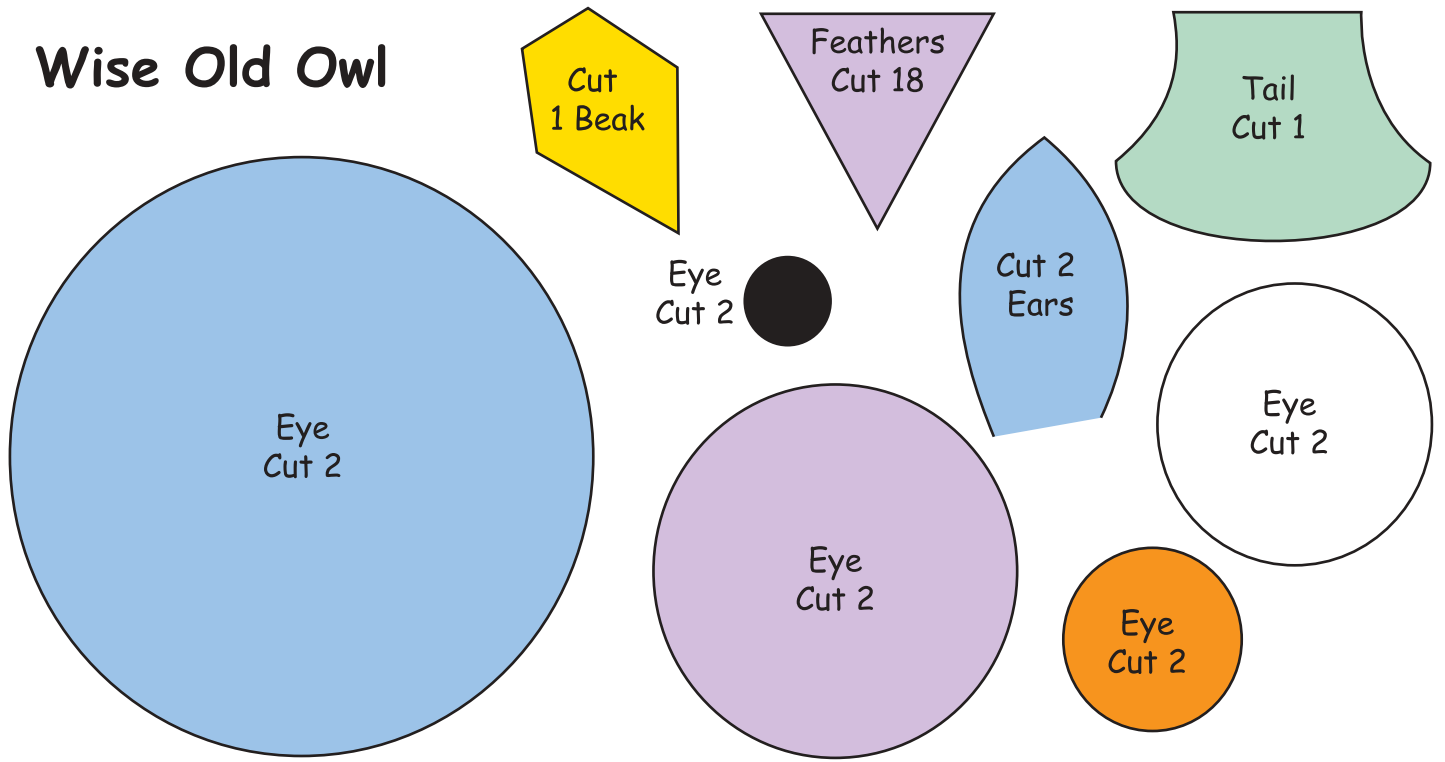

Place the beak just below the eyes and secure in place.

Place the ears at the top of the head and secure in place.

The owl is now complete.
